EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 12 and 34 have been canceled.

Note:

Claim 12 is redundant since its limitations have already been recited in its independent claim 31.

Claim 34 is dependent of canceled claim 10. Further, its limitations have already been recited in the other independent claims.

2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or fairly suggest an approximation of 2^X including converting a first rounded value represented in an integer format of the input X to a second rounded value represented in floating point format.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
